

Board of Directors
Holly Trace Homeowners Association
118 Circle Slope Dr.
Simpsonville, SC 29681

Dear _____:

Holly Trace subdivision, located on Highway 14 in Simpsonville, has a no solicitation policy that is posted at the entrance of our neighborhood. Recently, you visited our subdivision and distributed some form of solicitation. We ask that you please respect our policy and no longer solicit in our neighborhood.

By placing a "No Solicitation" sign along the front entryway of our subdivision, we are informing people that they are NOT allowed to solicit in our neighborhood including going door to door, distributing material in driveways or at front doors or in any other way. It is also a federal offense to place materials on or in a mailbox that does not belong to you.

The only people that are excluded from our No Solicitation policy are residents of our community that may be promoting a non-commercial service such as children offering lawn services or selling items for a school or other non-profit. If you continue to solicit in our neighborhood after receiving this notification, the proper authorities will be contacted and appropriate legal action taken.

Thank you for abiding by our policy and we wish you and your business tremendous success!

Sincerely,

The Holly Trace Homeowners Association Board of Directors
