

Holly Trace Homeowners Association

SUMMER – 2017

Teen Usage of Pool Release, Assumption of Risk & Parental Consent Form

Eligibility Guidelines: The child/children identified on the Release, Assumption of Risk and Consent Form must be at least 13 years of age. Children 18 years of age or older are not required to have a signed Consent Form. Children under the age of 13 may **never** swim at the pool without a parent or guardian present at all times. Please remember: Between the hours of 8:00pm and 9:45pm, teens 17 and under must still be accompanied by a parent or legal guardian at the pool.

Parental/Guardian Agreement: I, the undersigned parent or legal guardian, on behalf of myself and any other parent of the child/children identified on this form, agree my child/children may utilize the pool facilities unsupervised and will assume all risk for their injury. I also understand that the swimming pool for the Holly Trace Homeowners is not always attended by a lifeguard. However, if a Lifeguard is on duty, the child is responsible to respect and obey the request of the Lifeguard at all times. Unsupervised swim time, when a lifeguard is not on duty, still requires the child to obey all posted rules. Failure to obey the lifeguard’s requests or pool regulations may result in the child/children being asked to leave the pool area premises and the potential forfeiture of swimming rights at the pool. As the parent or legal guardian, I understand and have explained all applicable pool rules to each child identified on the form.

By signing this document, I and any other parent or guardian of this child/children, release the Homeowner’s Association, its Officers and Directors and waive any rights against the Holly Trace Homeowners’ Association, its Officers and Directors (“Association”), which I would otherwise have as a result of claims arising from such child/children’s use of the swimming pool and its facilities, including, without limitation, personal injury. I understand and accept the risk and assume full responsibility and agree to indemnify, defend and hold the Association, its Officers and Directors harmless, for any and all actions or claims, including personal injury or property damage to such child/children in any way related to their use of the swimming pool or its associated facilities, as well as any property damage or personal injury caused directly or indirectly by said child/children. I understand that no child between the ages of 13 – 17 years of age is permitted in the pool or pool area without a parent, guardian or babysitter over the age of 17 years, unless this signed consent form has been returned to the attending lifeguard. I also understand that no child under the age of 13 is allowed in the pool or pool area at any time without a parent, guardian or babysitter over the age of 17 years present.

I further understand that this Consent and Assumption of Risk Form **does not give** the child/children named on this form the authority to baby-sit or invite other children under the age of 18 to use this pool or its associated facilities without a parent or guardian present at all times.
